Terms & Conditions

Terms of the sale are cash with settlement to be made immediately following the completion of the sale and must be made before movement of the livestock from the facility. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All announcements at the sale by the owner or auctioneers will take precedence over the sale catalog. All cattle will be at the buyer's risk as soon as they are sold, but every precaution will be taken for their welfare. All persons who attend do so at their own risk. The owners nor any of the sale staff assume liability, legal or otherwise for any accidents which may occur.

Herd Health

Health papers will be furnished for each lot selling and ready for interstate shipment. All pregnant females have been checked within the past 21 days. Dr. Tyler Dillon, Chetopa, KS. performed the veterinary services.
