2022 A Bar Ranch Futurity Rules and guidelines

Events:

Halter, Ranch Trail, Cowhorse, Cut & Capture

RULES

Halter

This class will be judged on conformation and the resemblance to the ideal ranch/performance horse.

Ranch Trail

This class will be shown based on the horses' ability and level of training. There will be a set time limit. Time limit will be based on the amount of obstacles and the basic gaits that need to be shown. High score will win. In all gaits, movement of the ranch riding horse should simulate a horse needing to cover long distances softly and quietly, like that of a working ranch horse.

The **obstacle** portion will demonstrate the contestants/horses ability to navigate the trail course.

Cowhorse

The Cowhorse class will begin with a reining pattern.

Cow work portion will consist of calling for a cow and boxing at the end of the arena showing control and then taking the cow down the fence with one turn in each direction past center marker. NRCHA rules and scoring will apply during cow work.

AFTER completion of turns, one each way with the first turn being past center marker, exhibitor will be required to rope or circle the cow.

BUT extra credit will be given for roping your cow instead of circling.

ALL horses should be working on a normal working length of rein to where the horse is under control and with the appearance of no resistance.

ALL equipment, for instance saddles, bridles, rope, etc., should be in great working condition. If equipment seems faulty, the horse and individual may be disqualified by judge/judges.

Contestants may also be disqualified by a judge if he/she seems to be in danger in any way, shape, or form during any of the show.

Cut and Capture

Herd work will be in a separate pen where contestants will cut 3 cows. NRCHA rules for herd work apply. However, last cow worked will then be driven by contestant through opening into the arena. Once driven through opening, contestant will rope with a two-loop limit.

3- YEAR – OLD Competition

Owners with a 3-year-old will compete only in trail and the cowhorse. These colts will only be judged against other 3-year-olds. They WILL NOT be eligible for the all-around purse. This even will have added money to compete for.

Rules and additions to any or all of the A Bar Ranch Futurity can be changed or amended at any time without notice by management.
